No. 3949-56 $\frac{1}{2}$ —Muz. F. 28 of 1893, DATED BANGALORE, 17TH MARCH 1906.

ORDER.—The question of the transfer of the chattrams in the State having been constantly urged in the meetings of the Dasara Representative Assembly, the Deputy Commissioners of Districts were requested to submit statements of the chattrams, if any, requiring to be transferred to other important places in their districts.

2. In reply the Deputy Commissioners of the Kadur, Bangalore, Tumkur and Mysore Districts expressed the opinion that there was no necessity to transfer any of the chattrams in their districts. The Deputy Commissioner of the Chitaldrug District proposed the transfer of Rs. 10 per mensem from each of the chattrams at Komaranahalli and Hangal to the chattram at Holalkere, and stated at the same time that no transfers of chattrams in his district were called for. The Deputy Commissioner of Kolar proposed the transfer of the chattram from Narasimha Teertha to Mulbagal, but the Government after careful consideration of all the circumstances issued an order in their Proceedings No. 3237-8—Muz. F. 9-96, dated 14th April 1904, that the proposed transfer was undesirable. The Deputy Commissioner of the Hassan District proposed the transfer of the annachattrams at Grama and Gandsi to Dudda and Arsikere respectively, and final orders were passed by Government in their Proceedings No. 689-90—Muz. F. 133-92, dated 2nd August 1905, approving of the proposed transfer of the Gandsi chattram to Arsikere. The Deputy Commissioner of Shimoga stated that he would submit proposals for the removal of the chattram at Benkipur to a more suitable place in his district.

3. New annachattrams have been asked for at the Representative Assembly from time to time at the following places:—

Bangalore District.—

Magadi

Dodballapur

Tumkur District.—

Kunigal

Tiptur

Mayasandra

Kadaba

Kolar District.—

Alamgiri

Narasapura

Mysore District.—

Sivapur

Malvalli

Kaulandi

Hunsur

Mysore District.—

Ummatur

Hangala

Balamuri

Hassan District.—

Dudda

Arsikere

Hole-Narsipur

Shimoga District.—

Soulanga

Sagar

Kadur District.—

Koppa

Mudgere

Kalasa

Sollebyle

4. As regards the chattrams asked for in Arsikere in the Hassan District and Kaulande in the Mysore District, final orders of Government have been already passed sanctioning the transfers of the chattrams at Gandsi and Bendarvadi to Arsikere and Kaulandi, respectively.

5. In regard to the chattrams asked for at Hunsur, Hangala and Malvalli in the Mysore District, at Alamgiri in the Kolar District, at Sollebyle in the Kadur District, and at Hole-Narsipur in the Hassan District, the Government have already issued final orders that the request cannot be complied with.

6. In the matter of re-establishing annachattrams at Balamuri and Sivapur in the Mysore District, at Kadaba in the Tumkur District and at Narasapura in the Kolar District, it is observed from the old records that the annachattrams once located in these places were transferred long ago to other stations, under the orders of Government on the recommendations of the local officers concerned, and there are no special reasons for re-considering those orders now.

Muzrai, dated 17th March 1906.

7. As for the chattrams prayed to be established in Magadi in the Bangalore District, Kunigal in the Tumkur District, Mudgere, Kalasa and Koppa in the Kadur District, Ummatur in the Mysore District and Sagar and Sowlanga in the Shimoga District, the Deputy Commissioners of the districts concerned do not support the prayer.

8. As regards Mayasandra and Tiptur in the Tumkur District, it is reported that none of the existing chattrams in the district can be transferred to those places.

9. The only remaining two places where chattrams are recommended to be newly established are Dodballapur in the Bangalore District, and Dudda in the Hassan District, and it is suggested by the Deputy Commissioners of those districts that the existing chattrams at Hoskote and Grama may be conveniently transferred to those stations, respectively. The Government, however, do not quite realize the necessity for the changes proposed. Dudda is only ten miles from Hassan and it is not known whether there is proper accommodation there for locating a chattram. The Deputy Commissioner of the Hassan District is requested to furnish information on this point. The Deputy Commissioner of the Bangalore District is requested to report if travellers do not come to Hoskote and to furnish statistics of that chattram for the last six months in view to enable Government to decide upon the desirability or otherwise of the proposed change.

10. As regards the proposed transfer of Rs. 10 per mensem from the tasdik allotment of each of the chattrams at Komaranahalli and Hangal to Holalkere in the Chitaldrug District, the Government observe that the transfer is not feasible, as such a reduction from the tasdik allotments of the two chattrams in question would make them practically of no use to travellers.

11. In the matter of the proposed transfer of the Benkipur chattram in the Shimoga District to a suitable place in the said district, the Deputy Commissioner is requested to expedite the submission of his promised report.
